**Welcome to Bellevue Memorial Park** – a 78 acre, beautifully manicured, private, non-profit, nondenominational historic cemetery established in 1892 to serve the community. In 2017 Bellevue received the coveted George Chaffey Memorial Award from the City of Ontario for leadership preserving Ontario's cultural heritage. The cemetery includes two magnificent mausoleum structures, over 41 grass-covered ground

sections and over 600 spectacular trees, all set within 15 specially named private roads. More than 62,500 people (including thousands of historic grave sites in the East End) are currently interred at Bellevue with many decades of space available in the future for all families. The Bellevue Memorial Park office and ground staff are here to assist with any questions you may have.
