Welcome to Bellevue Memorial Park

Bellevue Memorial Park was established in 1892 to serve the Inland Empire community. It is a 78 acre, private, state licensed, non-profit, non-denominational and Endowment Care cemetery. Endowment Care provides for the care and maintenance of the cemetery for generations to come.

Our beautifully manicured park is rich in history. Many of the Inland Empire's early settlers, veterans who bravely served our country, friends and neighbors are laid to rest at Bellevue Memorial Park.

Bellevue has 2 magnificent mausoleum structures and three chapels. More than 64,000 people are currently laid to rest at Bellevue with many decades of space still available.
